Summary

I am a Student-Athlete at Samford University in Birmingham, AL. I plan to earn a Bachelor of Science degree in Marketing with a concentration in sales from the Brock School of Business. I am currently in my senior year academically and plan to graduate in May of 2024. I am also currently still a member of the Samford Football team and throughout my time as a division 1 Student-Athlete, I have maintained a 3.0 GPA. The summer before attending Samford I worked at a Nissan dealership in Jackson, TN. Primarily delivering parts or automobiles, while also assisting in detailing customer's vehicles. Since I have been at Samford, I have also made time to be a Door Dash delivery driver during my spring and summers.
